

CERTIFICATE OF COMPLIANCE

S. W. ANDERSON COMPANY is a distributor for the products sold on the Order Number referenced on this Packing List. These items are sold to the manufacturer's part number as listed in their current catalog. The specifications pertaining to a particular part number are set forth in the manufacturer's applicable current published catalogs. This is our Certificate of Compliance to state that the products supplied under the previous mentioned Order Number comply with the specifications for them which are published in the manufacturer's current catalogs for them and that S. W. ANDERSON COMPANY supplies parts exclusively from the manufacturer requested by the customer.

To the extent that the specifications in your order have been taken from the manufacturer's current published catalogs describing the ordered item, we hereby certify that the items supplied to you will comply with the specifications for them which are published in the manufacturer's current catalog for them.
